This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Mobilitie, LLC (Mobilitie or the Company), filed January 25, 2008, to withdraw without prejudice the Company's Application in the present proceeding. On July 9, 2007, Mobilitie filed its application for a Certificate of Public Convenience and Necessity for authority to provide local exchange and interexchange telecommunications services in South Carolina.

Mobilitie, by letter from the Company's counsel, seeks to withdraw, without prejudice, its Application. According to Mobilitie's counsel, the other parties to this proceeding, the Office of Regulatory Staff and the South Carolina Telephone Coalition, do not object to the request for withdrawal.

Upon consideration of Mobilitie's request, the Commission finds that the request of Mobilitie to withdraw its Application should be granted.

IT IS THEREFORE ORDERED THAT:

1. The request of Mobilitie, LLC to withdraw, without prejudice, the Company's Application for a Certificate of Public Convenience and Necessity is granted.
2. This Order shall remain in full force and effect until further Order of the Commission.
